

Business Plan Infographic

Task: Create an infographic business plan.

Your infographic should include:

- **Executive Summary** – Important points in your business, capture the reader, introduce your business
- **Competitive Advantage** - What makes your business better than your competitors? Who are your competitors?
- **Company Description** - Company's vision and goals
- **Products & Services** – Describe the type of product or service
- **Marketing Plan** – How are you going to attract customers, promote this product or service and how are you going to sell it?
- **Financial Plan** – What are the costs associated with the business? How much is your product or service? What are all the costs?

Due: Monday, June 4th 2018 via google classrooms.
