

# Teacher for a Day

## The Task

Imagine that for one day you may change places with any one of your teachers. Compose a one page report explaining how you would run the classroom using the guidelines below for your paragraphs.

## Guidelines

Your report must contain the following sections:

Section One – Tell the grade and subject you would like to teach, and WHY, it can be at any level.

Section Two – Describe what your classroom would look like, e.g. Bulletin boards, desks, posters, computers, equipment, etc. If your main classroom is the gym, describe the health room and any other locations you may be using.

Section Three – Explain what RULES you would have in your classroom and how you would keep good discipline (no violence/inappropriate remarks allowed, or you will receive a mark of 0 for the entire assignment) **Look at specifications below – this section will be a table.**

Section Four – Explain some teaching methods. Would you have the students writing notes, watching movies, playing on the computer? What would you do and why?

Section Five – Explain what characteristics would make you a good teacher, what things you would like to try with your class and what your goals as a teacher would be. If you feel you don't have any characteristics that would make you a good teacher, state what characteristics you would *need* to have.
